

# UUCL Weekly Update

---

## *This Sunday, Dec 24*

### **Program, 9:30 AM - *Meditation Beads with Ann Alexander.***

The word 'bead' is derived from the Anglo-Saxon bidden meaning "to pray." We will talk about the history of beads for spiritual practice and current bead use today. Bring your extra beads to create a "mala or pagan rosary" for your meditation practice.

### **Worship Service, 11:00 AM - A No-Rehearsal Christmas Pageant, Bonnie Blosser, Director of Faith Development, and Rev. Jill Jarvis**

Join us for this fun, multigenerational Christmas pageant as we recreate the story of the birth of Jesus, giving it our own slant. Instead of just listening or watching, we are going to get inside it with props, music, and stage directions, using the whole sanctuary as our stage and the gathered congregation as our players.

December Community Connection: Headquarters Counseling Center. A national suicide prevention lifeline crisis center that serves people from all over the state of Kansas. Programs are operated by volunteer counselors, who are trained and supervised by our Director of Counseling, Kristin Vernon. Their commitment is to provide the best possible service to anyone that reaches out to us for emotional support. We opened in 1969 as a drug crisis center for teens and young adults in the Lawrence community.

The Concealed Carry Reciprocity Act (H.B. 38) would force states to honor any other state's concealed carry permit, even if that state does not allow concealed carry or has more stringent permits. As it goes to the full House floor, now is the time to act. Other issues include the tax bill, the Dream Act, and net neutrality.
