Building the Beloved Community--UUCL will host the 2nd annual gathering of UU's and faith leaders on Feb. 4, to discuss critical concerns regarding legislative issues and to enhance connection with our sisters and brothers working for positive change. See insert today. Many opportunities for volunteering, as UU is hosting the event on Feb.4.

Our December 2016 Community Connection was Headquarters, for which \$921.97 was collected. A check will be drafted and delivered to Headquarters in appreciation for their work in the community. Also, a check for \$700.00 was sent to the UU Church of Bismarck-Mandan for their work supporting Water Protectors in North Dakota. Thanks for our members who contributed so generously.

Please check out Facebook for news on Water Protectors and Indians, especially Dallas Goldtooth who has a post on a Martin Scorsese film, Rumble, the Indians Who Rocked the World; also Myron Dewey's posts. The Protectors are facing huge obstacles in terms of ongoing legal battles.

January Community Connection The Lawrence Community Shelter (LCS) is the only emergency homeless shelter serving Law. and Dg. Co. Their mission is to provide a safe shelter, offer comprehensive services, and administer programs that together pave a path to a positive future for individuals and families currently experiencing or at risk of homelessness. LCS was established in 2005. In 2012, they moved from downtown Lawrence to a larger facility at 3655 East 25th Street. LCS is now a leading social service organization in Dg Co and remains focused on reducing homelessness in our community.
